Alexandria, VA 22313-1450

Sir:

Applicant hereby petitions under 37 C.F.R. § 1.59 for expungement of information and copy of papers from the file of the present application. Applicant requests that the U.S. Patent and Trademark Office expunge from the file of the present application a copy of the facsimile sent by Applicant's representatives to Examiner Stephen L. Rawlings on Friday, July 11, 2008 ("facsimile"). The facsimile contained informal suggestions for the amendments to the claims. The suggestions for the amendments were to be discussed during a future telephone interview.

CERTIFICATION OF E-FILING

I hereby certify that this correspondence is being electronically filed with the United States Patent & Trademark Office on July 16, 2008 through its EFS-Web electronic filing system.

Applicant's representative sent the informal suggestions on the claim amendments prior to the telephone interview for informal review by the Examiner and reference during the telephone interview. The informal suggestions to the amendments are not a part of a Response to Office Action and Applicant did not request that the pending claims be amended. Applicant's representative noted in the facsimile that it contained informal suggestions for the claim amendments. Applicant submits that the expungement of the information is therefore appropriate and requests that this Petition be granted.

This Petition is accompanied by the fee required by 37 C.F.R. § 1.17(g). If additional fees are due, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to deposit account 11-0855.

Respectfully submitted,
